

W-900

LEGACY EDITION

A Kenworth W-900 Legacy Edition semi-truck is shown from a front-three-quarter view, driving on a paved road that curves into the distance. The truck is dark green with chrome accents, including the large grille, bumper, and exhaust stacks. The headlights are on, and the scene is set against a dramatic sunset sky with orange and yellow clouds. The background features desert vegetation, including cacti and shrubs.
